Hi All,

I was just wanting to let everyone know that we are taking orders for meat pens for county shows from the end of Dec 2014 thru April 2015. I will need to know a count on how many at least 110 days from the show date, if anyone is interested.

Thanks!

Hi!

My name is Amber Looney. My girls and I have been raising Californian breeding rabbits and meat pens for a little over a year. We are now ready to start offering meat pens to the public. If you would please send me names and numbers for any contacts, that would be great. Also, could you send me dates for your county shows? Below is our contact information and website. Thanks!
